

Crag House Farm

WHEN YOU ARRIVE AT CRAG HOUSE FARM

When you arrive at Crag House Farm you can expect to be met in person and shown around the barn. Freshly baked scones, jam, butter, clotted cream or a home made cake will be here waiting for you, along with a welcome cup of Yorkshire tea or maybe you'd prefer a bottle of fizz ready to crack open when you walk through the door, it'll be here!

So you can expect to find:-

Taylor's of Harrogate tea and ground coffee, milk and sugar + local Stonehouse bakery scrummy cake and Prosecco chilling in the fridge. Black pepper and Maldon sea salt, tea towels, Eco washing up liquid, Eco dishwasher tablets, dishcloths for pans and plates supplied in the kitchen. Beds made up. Loo paper, soft white hand towels, bath towels and bath sheets supplied plus lovely Penhaligan shower gels and soaps to ensure a sparkling start in the bathrooms. (Just ask me if you would like to borrow beach towels to take down to the seaside).

The wifi is good but don't expect super fast city slicker speed. We have very good EE and Orange phone signal. If this isn't your network we are happy to lend you a pay as you go phone to keep you in contact. Please ask us.

If you have brought your bikes you can keep them in a lockable garage near a handy hosepipe.

We have a great little Co Op supermarket in Castleton village which is open 7 days a week 7am til 10pm - so you'll never go hungry. Sainsbury's and Tesco deliver here, you just need to give them the post code YO21 2NW Dale View or Beacon View Barn, Crag House Farm, Danby Head, Whitby. We are happy to accept a delivery on a Friday if the order gets here before you do, just let us know. For that special occasion we can highly recommend a local in-house caterer who will come in, cook a delicious meal of your choice and best of all take the washing up away!

Danny and Liz live across the lane in the farmhouse and are happy to help out in any way they can.

Now you can just kick off your shoes, let the children spill out into the garden to explore, you'll feel at home from the moment you arrive.
