

What you can expect to find in Beacon View Barn

Taylor's of Harrogate tea and ground coffee, milk + Prosecco chilling in the fridge. Sorry since Covid 19 we can no longer offer you a home made cake, instead we give you 80% hand sanitiser, disposable masks and gloves - some trade off.

We have also had to cut out some of those little extras that were fun but we have added something special too. Less clutter = more space. Less is more. Check out our new look alfresco dresser, dressed to the nines in sparkly lights and flowers. It is so pretty.

Anything in **pink** has been removed but is available on request
