What you can expect to find in Dale View Barn

A warm welcome enhanced by Taylor's of Harrogate tea and ground coffee, milk and Prosecco chilling in the fridge.
Before Covid 19 we were delighted to be able to offer you a home made cake, sadly we can't do that now so instead you get a paper bag containing an 80% hand sanitiser, disposable masks and gloves. Bit of a come down but safer.

The items in pink have been removed but are available on request

Dale View utility
